

# Domenico Aiello

*Chief Financial Officer*  
*Pioneer Investments*

**Domenico Aiello is Chief Financial Officer at Pioneer Investments.**

Before taking up his current position in 2012, Domenico was Head of Group M&A at UniCredit, a position he held from 2008, having previously been responsible for CEE and International Markets within Group M&A and Business Development. During his ten years at UniCredit, Domenico was involved in all major M&A transactions and strategic projects carried out by the Group, gaining knowledge of a number of segments in the financial services industry, including banking, insurance, asset management and brokerage. As a major contributor to UniCredit's capital increase in early 2012, he also has extensive experience in capital markets.

Prior to joining UniCredit, Domenico spent six years with Dresdner Kleinwort Wasserstein in London where his most recent role was Vice President in Investment Banking in the Financial Institutions Group.

He holds a First Class BA (Hons) in International Business Studies from the European Business School, London, UK.

Domenico is married with two children.
