

# Diego Franzin

*Head of Equity - Europe  
Executive Vice President*

Diego Franzin is Head of Equity - Europe. Based in Dublin, he is also responsible for the European Equity Research team. Diego oversees the investment process, research function and management of all portfolios within the European and Thematic Equity universe.

Prior to this, Diego was Head of Global Quantitative Research & Management, responsible for a team of quantitative research analysts dedicated to supporting fundamental research and portfolio managers to generate alpha for equity, credit and fixed income products. This team is also responsible for the management of all our quantitative and disciplined portfolios. Diego was lead portfolio manager of our US Disciplined Value and Growth products.

Diego is a graduate in Economics from the University of Pavia with specialisation in econometrics and statistics. He joined Pioneer Investments in April 1998 as a Quantitative Equity Analyst and became Head of Global Quantitative Equity and Head of US Quantitative Research in 2002 before assuming the role as Head of Global Quantitative Research & Management in April 2008. Diego completed the Harvard Business School PLD5 (Program for Leadership Development) in 2008
