

# Yerlan Syzdykov

*Head of Emerging Markets - Bond & High Yield*

Yerlan Syzdykov is Head of Emerging Markets - Bond & High Yield at Pioneer Investments. In this role, he has overall performance responsibility for investment strategies managed by our team of Emerging Markets and High Yield Portfolio Managers. He is also Lead Portfolio Manager on a number of our Emerging Market Debt strategies.

Yerlan has been involved in the managing of our Emerging Market Debt strategies since 2000 and has played a key role in evolving our investment capability in this area.

Yerlan has worked on emerging markets throughout his career. He joined Pioneer Investments in 2000 from Bancroft in Paris where he had been working as an Investment Analyst. Before this, he was employed by various companies in London and Paris within the emerging markets area.

Yerlan started his career as an Equity Analyst with Renaissance Capital in Moscow upon completion of his MBA in 1997.
