# CHARLES MELCHREIT, CFA

SENIOR VICE PRESIDENT  
DEPUTY HEAD OF FIXED INCOME, U.S.  
PORTFOLIO MANAGER

**Charles Melchreit is Senior Vice President, Deputy Head of Fixed Income, and Portfolio Manager at Amundi Pioneer Asset Management based in Boston office.**

As Deputy Head of Fixed Income, Charles oversees a team of investment professionals who are responsible for the management of retail funds and institutional strategies for U.S. and international investors.

Charles and his team focus on identifying and capitalising on investment opportunities available within a universe of investment grade and structured securities, as well as portfolio construction and risk management, for a suite of dedicated investment grade strategies and global flexible multi-sector approaches. Charles also co-manages a strategy dedicated to Insurance-linked securities.

Before joining Amundi Pioneer (Previously Pioneer Investments), Charles attended graduate school at Yale University where he received a Master's in Statistics. Concurrently, he worked at Cigna Investment Management where he managed a portfolio focusing on asset-backed securities and mortgage backed securities. Previously, he worked for ING Aeltus, where he managed Aeltus's Mortgage Group and Quantitative Research effort.

He has also worked in the Quantitative Management Group and MassMutual (now part of Babson Capital), where he was responsible for research in the area of mortgage-backed securities. Charles began his investment career in the Investment Department at Aetna Life and Casualty, where he was a quantitative investment analyst and later Head of Quantitative Research.

Charles holds a B.A. in Economics and an M.A. in Statistics, both from Yale University, as well as an M.S.C. in Management from the Sloan School of Management at Massachusetts Institute of Technology. He is a CFA® charterholder.
