# MATTEO GERMANO

## GLOBAL HEAD OF MULTI- ASSET INVESTMENTS

### **Matteo Germano is Global Head of Multi-Asset Investments at Amundi Asset Management (previously Pioneer Investments).**

The Multi-Asset group manages a wide range of top down investment strategies, encompassing asset allocation, stock and fund selection. In addition, it offers a set of advisory services including asset liability management, asset allocation overlay, manager selection and fiduciary management.

Matteo is a member of the Global Investment Committee and several other Boards and Global Committees for Amundi Asset Management.

An Economics graduate of the University of Genoa, Matteo completed a MSc in Finance at the University of London before beginning his professional career with Eurispes, a UK Institute for Social and Economic Research and Furman Selz.

In 1996 he joined the Unicredit Group covering different roles in Research, later moving to the Asset Management division to lead the Fundamental and Quantitative Research teams before assuming responsibilities for Multi-Asset strategies.
