Objectives and Investment Policy

Objective: Seeks to provide income and, secondarily, to increase the value of your investment over the medium to long term.

Portfolio securities: The Sub-Fund invests mainly in equities as well as government and corporate bonds of any credit quality, from anywhere in the world, including emerging markets. The Sub-Fund may also invest in other regulated funds, money market instruments, cash and in investments whose values are linked to prices of real estate, infrastructure, commodities or other real assets. The Sub-Fund may use derivatives to reduce various risks, for efficient portfolio management and as a way to gain exposure to various assets, markets or income streams. In particular, the Sub-Fund uses options to generate additional income.
