

Giordano Lombardo

Deputy CEO – Group CIO

Pioneer Investments

Giordano Lombardo is Deputy CEO and Group CIO of Pioneer Investments, responsible for the global investment activities. He is also Chairman of Pioneer Investment Management S.G.R.p.A (Italy) and Pioneer Investment Management Limited (Ireland). In March 2010, he was appointed Vice Chairman of Assogestioni, the Italian Association of Fund Managers and, in November 2013, he took over as its Chairman.

Giordano started out as a financial analyst and portfolio manager and has over 25 years of experience in the asset management industry, including 20 with the UniCredit Group. In addition to his current role, Giordano holds various directorships within the Pioneer Investments group of companies.

Giordano is married, with five children. He likes running, reading history books and listening to music. He is a fan of J.S.Bach and of Inter Milan (the football team).
